

## Energy & Environmental Technologist (m/f/d)

KHS is a subsidiary of Salzgitter AG. As one of the world's leading manufacturers of filling and packaging systems for beverages and liquid food we are a world-class player. Our customers have trusted in our passionate pioneering spirit and first-class technologies for over 150 years. However, we can only remain world class if we continue to find new employees who make just as high demands of themselves and the quality of their work as our customers make of us at KHS. Are you one of them? We are currently seeking an Energy & Environmental Technologist (m/f/d) to join our "Innoplant" department at our Bad Kreuznach site.

**Einsatzort:** Bad Kreuznach | Rheinland-Pfalz

### Ihre Aufgaben

- Intensive customer consulting and design of utility systems for turnkey projects in the beverage industry, worldwide.
- Analysis of customer requirements and local conditions of the respective region.
- Conceptual preparation of internal and external tender documents.
- Development and planning of holistic, sustainable energy concepts for turnkey projects in the beverage industry.
- Quotation preparation and project handling for utility systems in the beverage industry.
- Supplier selection and technical clarification for utility systems as well as energy and environmental topics.
- Project execution for energy plants in close cooperation with the Project Manager.

### Ihr Profil

- Technical training or degree (energy and environmental engineering, process engineering, mechanical engineering, or similar)
- Several years of professional experience in technical sales or in the design of energy systems, ideally in the food or beverage industry
- Excellent knowledge of MS Office and MS Project
- Business-fluent English; knowledge of another foreign language is desirable
- Goal-oriented and structured approach to work
- Ability to work in a team, assertiveness, and professional interpersonal competencies
- Efficient time-management, flexibility to adapt work schedules to project requirements, strong customer focus, and willingness to travel internationally
