

Project Manager New Machinery Sales (m/f/d) - France

KHS is a subsidiary of Salzgitter AG. As one of the world's leading manufacturers of filling and packaging systems for beverages and liquid food we are a world-class player. Our customers have trusted in our passionate pioneering spirit and first-class technologies for over 150 years. However, we can only remain world class if we continue to find new employees who make just as high demands of themselves and the quality of their work as our customers make of us at KHS. Are you one of them?

Location: Noisy-le-Grand | Seine-Saint-Denis | Frankreich

Your Tasks

- Overall project management for customer orders
- Development of project schedules
- Responsibility for project success (costs, payments, deadlines and quality), as well as control and coordination of the project team and all interfaces
- Technical and commercial order clarification
- Commercial controlling of the project, deadline tracking and project reporting
- Change and claim management
- Evaluation of opportunities and risks based on the project risk assessment (PRIA)
- Coordination of escalation management; resolution of conflicts
- Execution of project reviews and exchange of experience with stakeholders
- Preparation of the construction site phase as well as site control in close cooperation with the site manager
- Project control until defect-free handover to customer and after sales service

Your Qualifications

- Preferably combined technical and commercial education (industrial engineering, mechanical engineering/brewing and business administration or comparable)
- Several years of professional experience and good knowledge of project management methods and/or technical sales desirable
- Practical experience as project manager for projects in mechanical and plant engineering, preferably in the food/beverage industry
- Knowledge of contract law
- User knowledge of SAP and MS Office (Excel, PowerPoint, Word and MS Project)
- Fluent in French and English. Knowledge of other foreign languages will be an advantage
- Goal-oriented and structured way of working plus ability to work in a team, assertiveness and adequate manners
- Confident, efficient time management and flexible work assignment according to project requirements

Benefits

- Innovative and international working environment
- Challenging and diversified job
- Working in a highly motivated team
- Strong company group
- Attractive remuneration
- Social benefits

In order to ensure our success in the future, too, we need first-class employees – and we also have plenty to offer them.
