

Service Technician Itinerant - France (m/f/d)

KHS is a subsidiary of Salzgitter AG. As one of the world's leading manufacturers of filling and packaging systems for beverages and liquid food we are a world-class player. Our customers have trusted in our passionate pioneering spirit and first-class technologies for over 150 years. However, we can only remain world class if we continue to find new employees who make just as high demands of themselves and the quality of their work as our customers make of us at KHS. Are you one of them?

Location: Noisy-le-Grand | Seine-Saint-Denis | Frankreich

Your Tasks

- On-site services for after-sales service and new installations
- Carry out maintenance and repairs independently
- Perform mechanical modifications and upgrades on existing machines
- Carry out machine inspections and audits (identify and register spare parts with customers)
- Install individual machines and packaging lines based on engineering drawings and diagrams
- Commissioning of special machines
- Production support and assistance on customer site
- Interface between customer and head office
- On-site training of users and maintenance technicians
- Reporting to head office for follow-up.
- Provide solutions and proposals for machine optimization at our customers' sites.

Your Qualifications

- Qualification as a mechanical engineer or technician (m/f) or comparable education/training or professional experience
- In-depth knowledge of the beverage industry / filling process and at least 3 years' professional experience
- French (mother tongue), advanced knowledge of spoken/written English. German would be a plus.
- Analytical reasoning to solve technical problems independently on site.
- Flexibility, responsiveness, assertiveness, and organizational skills (autonomy on customer sites)
- Self-confidence and good presentation (intervention on customer sites)
- Willingness to travel in France and abroad

Benefits

- Innovative, international work environment
- Stimulating and diversified job
- Work in a highly motivated team
- Powerful group of companies
- Attractive performance-related remuneration (depending on profile and experience)
- Company car
- Social benefits

In order to ensure our success in the future, too, we need first-class employees – and we also have plenty to offer them.
